

Your health care  
career begins here.

*Imagine ...*

- that sense of belonging and an exciting variety of possibilities.
- the reassurance that you're at a college that focuses on nursing and allied health care.
- the satisfaction of sharing the gift of caring with others.

Caring professors, cutting-edge education, challenging and focused curriculum, brand new campus, first-year clinicals and, most importantly, the feeling that you belong – see why students are choosing Nebraska Methodist College.
